ANNUAL 1225 DRIVE

**Gardner Square Two is pleased to announce
The 16th Annual Fund Drive for Memorial Lights Is On!**

Our Annual Drive presents a wonderful opportunity for you to make a contribution to honor family and friends and to show your holiday spirit and community pride.

With your support over the past fifteen years, Gardner Square Two has donated over \$175,000 to worthy causes in the City of Gardner. With your continued generosity we will once again light up Monument Park and Downtown for all to enjoy.

Your donation will appear on Gardner Educational Television (Channel 8) throughout the Holiday Season.

A \$10 donation
will purchase one memorial light.
Our goal is to sell 1225 lights by
December 15th.
